WORK EXPERIENCE

2D GAME ARTIST

MYY HASHSTASH

MARCH 2025 - MAY 2026

- Collaborated with developers and QA teams to design and develop games for mobile, web, and VR platforms.
- Created visually appealing characters, game assets, and user interfaces to enhance gameplay and user experience.
- Utilized both 2D and 3D mediums to design and refine assets, ensuring high-quality visuals adaptable across different platforms.
- Contributed to concept development, maintained visual consistency, and ensured seamless integration of art with game mechanics across multiple projects.
- Designed UI for websites and made motion graphics

2D GAME ARTIST

DREAMCAT LABS

OCT 2024 - FEB 2025 - Contract

- Conceptualized and developed original ideas for games, shaping their creative direction and overall aesthetic.
- Designed characters, props, UI elements, and other game assets to align with the game's theme and artistic vision.
- Collaborated closely with cross-functional teams, including developers and QA, to ensure cohesive design and smooth implementation.

CONCEPT ARTIST
